

Calhoun County Public Schools Comprehensive Health Education

The 2015-16 General Appropriation Act, Part IB, Section 1-H63 provides the following clarification: 1.97 (SDE:

Health Education Materials) From the funds allocated to each school district, each district shall publish on its website the title and publisher of all health education materials it has approved, adopted, and used in the classroom. If the Department of Education determines that a school district is noncompliant with mandated health education, the department shall withhold one percent of the district's funds allocated in Part 1A, Section 1, XIV - Student Health and Fitness Act until the department determines the district is in compliance.
